

Outside of gas stations and small grocery stores virtually all of the seven acres of commercial land use <sup>1/</sup> in Zebulon is contained within the Central Business District. The major exception is the Piggly-Wiggly Super Market and its adjacent shops located at U.S.64. In addition, there is a scattering of minor marginal commercial uses (grocery stores and gas stations) in Wakefield, along U.S. Highway 264 and 64 and on Arendell Avenue, south of the railroad.

Although no complete shopping center has yet developed in Zebulon, plans are now under way for such a center to be located on U.S. Highway 64 (across from the hospital). Included would be a grocery store, drug store, apparel shops etc.
